Facilities

An RFQ for janitorial service at the Baker branch library was posted on the library website on Friday, March 24 2017. I found only two local janitorial services contractors listed under the industry code in the AtoZdatabase and invited each of them to bid. The bid period was open for two weeks, and closed at 5:00pm on Friday, April 7 2017. The board will approve the bid and contract at this meeting as one of the New Business agenda items.

Special Districts Insurance Services continues to await the soffit repair estimate from contractor Sid Johnson & Co.

facilities. I am looking forward to working with him on projects and plans for proper care of our sites.

Interviews have been conducted for branch staff at Haines and Halfway.

• Ms. Nola Huey was hired for Haines. She has an MLS degree and many years of work experience in libraries, primarily as youth services staff in Great Falls, MT.

I will be attending the Oregon Library Association conference next week with two youth services Baker staff, Missy Grammon and Courtney Snyder. It will be the first OLA conference for each, though Courtney has attended at least on other library conference. Brian Vegter, new Executive Director of Libraries of Eastern Oregon, will also be riding along with our group to attend his first library conference.

Public services

Four Baker teams, elementary to high school age, attended the regional Oregon Battle of the Books competition held on Saturday, March 18 at BMCC in Pendleton. Performance was varied. Some did not advance past the trial round while one made it to the second round of tournament play. Their coaches, library staff Courtney Snyder and Heather Spry, are very proud of all the participants' efforts. They all had fun reading and talking about books, which is the primary purpose of the event. A pizza party celebration to conclude this season is being planned.

Sage

Sage has approved its 2017-2018 budget. It has no significant changes. Member fees do increase by 3%.

The search for a Tech Support staff to replace Brent Mills is ongoing. Unfortunately, the initial job posting did not attract sufficient applicants so had to be revised and reposted. The job title was changed to Library Systems Specialist.

Security

Nothing to report. Disciplinary incidents during Spring Break were minor and few.

Statistics

Door traffic reports for 2017 Quarter 1 (Jan-Mar) show a significant increase over the last couple of years. Data is unavailable for several months of 2016, however, due to a system malfunction.

Technology

Jim White visited a branch of Boise Public Library in March for a demonstration of their innovative tech services, including 3D printers, virtual reality quests, and robotic gear. He was very impressed and is inspired to develop some of these programs for our community.

The Board of Directors meets on the 2nd Monday each month from 6.00 to 8.00p in the Riverside Meeting Room at 2400 Resort Street, Baker City, Oregon. Sign language interpretation for the hearing impaired is available if at least 48 hours notice is given.

b. Finance

Report documents to be distributed at the meeting.

VI. OLD BUSINESS

a. Board member election

The Baker County Clerk confirms that three incumbent BCLD Board Members, Della Steele, Betty Palmer, and Kyra Rohner-Ingram, have filed for reelection in the May primary. The Clerk reports that Paul Dunkak (AKA Darby Dunkak) has filed to run for the position held by Steele. The filing deadline has passed. Palmer and Rohner-Ingram will be running unopposed. The positions of Board members Nellie Forrester and Gary Dielman will not expire for another two years.

b. 2017-2018 budget committee membership

Attachments:

• VI.b.1. 2017-18 budget committee members

As discussed in the March meeting, we have one budget committee members whose term ended last year: Tom Hudson. A replacement for Tom will be needed. Budget committee members are appointed to 3-year terms.

I had recommended Mr. Dan Burton but he is unable to participate due to a schedule conflict. I **recommend inviting Bob Savage to return to budget committee service.** I have spoken with Bob. He has agreed to serve and is available for the meeting scheduled for May 24.

VII. NEW BUSINESS

a. Janitorial Services bids / contract approval

Attachments:

- VII.a.1. Bids
- VII.a.2. Janitorial Services Contract

BCLD is in need of a new General Procurement contract for janitorial services at the Baker branch. As the statutory Contract Review Board, the library board is required to award bids and approve contracts.

An RFQ was posted on the library website on Friday, March 24 2017. I found only two local janitorial services contractors listed under the industry code in the AtoZdatabase and invited each of them to bid. The bid period was open for two weeks, and closed at 5:00pm on Friday, April 7 2017.

The previous contract amount with Timothy McMillan Janitorial was for \$860/mo. For the new contract, the scope of work was significantly expanded and detailed.

Notes prepared by Library Director Perry Stokes

Bids were received from Cameron Guertzen Janitorial for \$1,495/mo and Hurley Building Maintenance for \$3,600/mo.

Per competitive bidding rules, the contract award should go to the lowest responsive responsible bidder. Other evaluation criteria considerations should include:

- Responsiveness: substantial compliance
- Responsibility:
 - Financial, material, equipment and personnel, or ability to obtain resources and expertise
 - Record of performance
 - $\circ \quad \text{Record of integrity} \quad$
 - Legally qualified; not debarred
 - Supplied necessary qualification information

b. 2016-2017 budget outlook

Attachments:

- VII.b.1. FY16-17 budget projection / 2017-2018 budget proposal
- VII.b.2. FY16-17 budget goals

Current year budget items of note

- **Total income** is projected at approximately \$6,000 greater than budgeted.
 - \$8,500 additional funds are projected in Prior Year Taxes due to receivables in Q3 that were greater than expected
 - Cash carryover was \$19,365 greater than expected
 - E-rate income shows as a deficit but that may be due to a posting discrepancy. To be reviewed with Christine.
- **Personnel Services** is projected to be significantly underspent by \$25,250. I will review budgeted staff pay rates and hours with Christine to make sure there are no payroll errors.
- Materials & Services overall is projected at \$11,800 over budget. However, this may be due to allocation discrepancies.
 - Building & Grounds is significantly over budget due to the LED light project. I will make a point to check whether that project should be posted as Capital Outlay (\$21,000 budgeted), with OTEC reimbursement posted as grant income.
- Cash carryover is projected at \$265,500, which is \$40,400 more than budgeted.
- I have highlighted several line items to review with Christine prior to final draft review at the May meeting.

Stokes

Goals

- Retain prioritized allocations of prior year
- Increase Building & Grounds line to accomplish various project needs
- Increase cash carryover -- District goal is to grow base carryover to \$300,000 but we appear unable to advance that goal this fiscal year.

Proposed budget items of note

- Income
 - Projection based on 2.5% growth, 94% collection rate
 - FY16-17 saw a precipitous growth drop from 4.7% to 2.8%. The district's budget was based on an estimate of 3.5%. A 1% change equates to about \$10,000 revenue.
 - o Local option levy income is flat due to rising compression
 - Prior tax revenue is proposed at \$40,000 (\$5,000 increase based on history & trend)
 - Total tax revenue increase over previous year budget is \$15,000
 - Overall income growth projected at \$23,500
- Personnel Services 69.3% of operations budget
 - o Salaries
 - 2% COLI proposed for staff, based on W-CPI data trends (WCPI for recent two years has been 1.9% and 2.5%)
 - With departure of Sara Durflinger, that management level position will be eliminated. Currently, to replace necessary hours, I have budgeted a new Library Technician position at 19 hours. That may change as I work with staff to determine how best to re-allocate those funds.
 - Two new staff, Haines Librarian & Facilities Maintenance, are proposed to be paid at step maximums due to advanced experience.
 - Overall, salaries increase by about \$7,000
 - o Benefits
 - Primary increase is due to PERS costs, up by \$19,000 due to a significant spike in rates
 - Kevin Bell from Clark & Clark Insurance reports that health insurance rates will increase by around 4.3%
 - Overall, benefits increase by about \$20,000
- Materials & Services
 - Books 8.7% of operations budget
 - Janitorial increased by \$6,000 due to new & expanded contract
 - Insurance still includes \$1,600 extra if earthquake or equipment coverage is added

The Board of Directors meets on the 2nd Monday each month from 6.00 to 8.00p in the Riverside Meeting Room at 2400 Resort Street, Baker City, Oregon. Sign language interpretation for the hearing impaired is available if at least 48 hours notice is given.

Monday, Apr 10, 2017, 6:00 pm Notes prepared by Library Director Perry Stokes

- o Publication/marketing increased by \$900 for Eltrym advertising trial
- Utilities the electric bill for Baker is down but heating is up by about the same figure. I'm unsure if the two are related, but am hoping that Ed, our new Facilities staff, can improve building energy efficiency.
- Telecommunications Increased to add 4-line cell phone plan which will provide two phones for essential Baker staff and two for Sage staff.
- Overall, M&S increases by about \$12,000
- Transfers & Other
 - Capital Outlay I've added \$5,000 for potential LED conversion project at one branch. We will aim for one branch conversion per year, starting with Richland.
 - Cash carryover is unchanged from the prior year budget.

d. Earthquake & Equipment insurance coverage

At the meeting, I will provide insurance coverage quotes provided by Kevin Bell for earthquake and equipment failure. As previously mentioned, a small amount has been included in the proposed budget for coverage expansion.

VIII. Agenda items for next regular meeting: Apr 10, 2017

• FY2016-2017 Supplemental budget

- FY2017-2018 Budget proposal preview
- Overtime Rules
- Policy review/revision
 - Social Software
 - Staff Use of Collection Materials
 - Digital Archive Copyright Statement / Rights Statements for digital cultural heritage object

IX. ADJOURNMENT

Dielman

Dielman

Monday, Mar 13, 2017

Call To Order	Gary Dielman, President called the meeting to order at 6:03 pm. The meeting was held in the Riverside Meeting Room. Present at the meeting were Gary Dielman , Della Steele , Kyra Ronher-Ingram , and Nellie Forrester , Directors ; Perry Stokes , Library Director and Christine Hawes , Business Manager.
Consent Agenda	Dielman asked if there were any changes to items in the consent agenda including tonight's agenda and minutes from the previous meeting. There were no changes. Director's read through the minutes. Rohner- Ingram made a motion to approve the Consent Agenda; Forrester seconded; the motion passed unanimously .
Conflicts or Potential Conflicts of Interest	Dielman asked for any potential conflicts of interest; there were none.
Open Forum for general public	Dielman stated for the record that there were no members of the public present.
REPORTS: Director	Stokes said that he would highlight a few items from the annotated agenda in the board packets. In <i>Facilities</i> – due to the severe winter snow/ice damage, the building soffits are looking ugly and will remain so until the insurance claim is complete and a contractor can be secured for the repairs. The temperature needs to be warmer and dryer for certain repairs to be done. The insurance claim is in progress. FEMA funds may be available to reimburse the district for its insurance deductible and other incidental expenses related to the January storm event. <i>Marketing</i> – Stokes is considering a subscription to the Eltrym theatre to advertise upcoming programs. The cost is \$75/mo (\$900/yr). He suspects it would reach a lot of people, particularly youth, which may not necessarily library users or newspaper readers. <i>Personnel</i> – three longtime staff announced they are leaving BCLD. Linda Bergeron in Halfway is retiring at the end of April; Sara Durflinger will officially retire at the end of June; and Katie Ash our Haines Librarian will be leaving mid-March. Stokes is still working on an RFP to solicit public contracting bids for janitorial services; the district's current custodian has agreed to continue through March. The annual staff team-building event was held at the library Friday, March 3. The main activity was a trial run of devices we plan to use in future youth programs. There were about 15 staff and spouses who attended.
	Public Programs – The library hosted a local tournament of Battle of the

Books in February. The Friends purchased the T-shirts for the teams and coaches. They will also support a pizza party at the end.

Security – Stokes reported he **turned over drug paraphernalia evidence to law enforcement** which was found hidden in a chair. He often checks under seat cushions to clean discarded litter. This time he found two glass pipes tucked away. He also reported that he has resolved the disappearing movie cases mystery. The individual confessed to the censorship and was trespassed for 6-months. A suspect in a Huntington incident in the city park was recently arrested in Baker City. Stokes drove out to Huntington to find that the security cameras were down; he was able to make the system operational again but unable to offer video coverage to law enforcement. Another possible security issue, in January a child reported seeing someone in the library with a holstered gun. He said someone with a permit and a concealed gun is legal, however opencarry is not allowed in public buildings. He looked into the report but didn't find anything.

Statistics – **Total checkouts have declined for 2015 and 2016**. Movie checkouts show the most significant downward trend while books and audiobooks remain steady or trending slightly upward. Visitation has increased in recent months although this past month was low. Magazine checkouts have dropped by nearly half as compared to 10 years ago. It is also a consideration that many people read them and put them back on the shelf rather than placing on the cart so we can track the usage. An inhouse use report will be used to evaluate magazine titles to drop.

Technology – Technician, Jim White, had a long week. One of the **core system servers experienced a catastrophic failure** on Wednesday, March 7. The server hosted the SAM system, so most public workstations were down that day. The WiFi still worked so iPads were checked out as alternatives. Jim was able to implement a workaround to bring systems back online the next morning. Replacement equipment has been ordered. The **Sandbox has been a popular item**. Spillage is an issue but is more under control with placement of mats. The Powder River Watershed Counsel crafted an activity sheet and it is now posted beside the Sandbox. After the meeting, Stokes will give the board a demonstration.

FinanceHawes passed out check packets for signatures and reported on financial
highlights.

The General Fund received tax turnovers of \$28,309 in March. It also

received \$2,195 in E-Rate program refunds with another \$610 to come. These refunds cover the first six months telecom expenses in the current fiscal year with an additional \$2,642 anticipated for the remaining six months to be filed in June. Hawes explained that we receive another \$7,632 for Internet services to the main library that are billed direct by the vendor for a total of \$13,078 in funding available for the current fiscal year.
Personnel in on target at 71.6% spent compared to 75% expected for the 9 month period. In Materials & Services , the book budget includes a check to Ingram for \$5,694.79. The book budget is 76.9% spent which means there are funds available for the fiscal year end months.
As a point of interest, the book expense line also includes total credits of (\$1,871) in collected reimbursements of lost books and other materials that are posted here to offset replacement costs.
Buildings Maintenance includes a check to Sid Johnson & Co \$1,425.02 the final payment on a building repair. The Liability Insurance annual longevity credit of \$1,148 that was recently received is posted to this expense line. The check to Visa is \$4,038.04 this month including a check order for 2000 laser checks for the General Fund checking of \$370.98. In Library Service Supplies, there are two items of interest; Demco \$782.31 for supplies including DVD hanging files, DVD album sleeves, and book cover materials; and Quill \$832.82 for printer cartridges for all library sites and copy paper. In Youth Programs , a check to the Alaska Zoo of \$50 for a Storytime Polar Bear program; this was an interactive Skype presentation for kids.
In Utilities , heating fuel totaling \$1,106.25 for two branches to Ed Staub & Sons. And a check to the University of Oregon, NERO Network of \$477 the quarterly Baker library Internet payment. Hawes explained that this is the vendor that bills the E-Rate program direct for services. The Baker County Public Library receives commercial Internet services valued at \$795 a month. The library pays 20% of that or \$159 a month; while E- Rate covers 80% of the cost. The savings to the District is \$7,632 this fiscal year.
On the last page, the budgeted transfers have been completed and debt service has one remaining payment of \$1,000 due in May. The current cash balance in General Fund is \$473,610 .
In addition, Hawes said that she updated the Projected Retirement Severance Liability report. This fund has a current balance of \$62,000 which more than covers the potential retirees who are currently eligible

	to retire, although actual dates are unknown. She also referred to a report already handed out titled Monthly Electric Bill Comparison report. This report starts in October, the month following the LED light project completion. It shows a marked decrease in electric bills compared to the past three years. The District has saved over \$800 in the last five months as compared to the same time period last year. Other Funds received \$468.87 in Amazon book sales in February for a total of \$4,325.51 fiscal-year-to-date. The \$4,000 budgeted from these proceeds was transferred to the General Fund book budget as budgeted. The Visa invoice includes Amazon postage of \$78.68 and Memorial fund expense of \$276.25 for staff team-building event. A summary of grant activity, the Vroom Grant is still in progress with a recent transfer of \$310.26 to General Fund to reimburse for grant related wages; the grant balance is currently \$4,901.07. The E-Rate Internet Project that was part of the Other Funds – Technology Department for this fiscal year is complete. There were two refunds totaling \$15,364.80 which covered 70% of the cost to upgrade wiring and equipment in the main branch. Total current cash in Other Funds is \$160,899 with department balances written on the financial report for reference. Sage Fund wrote a check to the General Fund of \$1,095.82 to reimburse for the PERS expense paid on March 10. A check to the Hood River Library District of \$8,058.93 for the final paycheck and benefit payout for system librarian, Brent Mills, who has resigned. Another unusual check of \$1,000 was written to the Software Freedom Conservancy to support the Annual Evergreen Conference. And a check to Beth Longwell-Ross for mileage to attend a courier committee meeting in Portland. The current cash balance is \$233,427 . Checks and approval lists were signed.
Old Business: Board Member	Stokes asked if any of the board had applied for re-election. Della said that she had. Kyra said she applied today. Gary offered to contact Betty
Elections	to make sure she remembered. Stokes reported that he had an inquiry
	over the weekend of someone interested in becoming a board member so there could be another person on the ballot.
New Business:	Stokes said that the budget committee will meet May 24 with a follow-up
2017-2018 Budget Calendar and	meeting scheduled for May 31, although it is usually not needed. We
	have one budget committee member whose term expired, Tom Hudson,
Committee	and due to health issues we will need to replace him. Others on the

	Committee are Aletha Bonebrake, Linda Collier, Joy LeaMaster, and MaryAlys Urey. Stokes recommends inviting Dan Burton to serve on the committee. He has served on the committee in the past and frequents the library. Dielman asked the board if there were any other suggestions. Dielman said he thought of Bob Savage, but believes he is already busy with other committee service. There were no other suggestions. Stokes will contact Mr. Burton. There was some discussion on the budget calendar which Stokes reviewed the deadline dates.
Big Eclipse Management Plan	Stokes said that thousands of people are anticipated to visit Baker County and eastern Oregon overall for the Solar Eclipse event on Monday, August 21, 2017.
	Stokes provided County eclipse borders marked on a map in the board packets. The impact for library branches was reviewed with the hot spot being Huntington with the longest duration of visibility, second Sumpter and then Baker areas. Stokes introduced items of concern including increased library visitation traffic, managing the parking area, condition of the library grounds, and possibly increased janitorial services for the weekend leading up to the event. He wants to work on a plan and asked if the board wanted to be involved or he can work with staff and bring back a proposal to the board.
	Stokes said that he attended a Director's meeting in Salem recently; many libraries plan to close that morning. Stokes proposed a special library closure for the morning of 8/21/17 with the library to open at 1:00pm. He plans to close all branches that morning.
	The eclipse will begin about 9:09am, ending at 11:46am. Opening at 1:00pm will allow for the crowds and traffic to disperse. He feels there will be a lot of visitor traffic the weekend before the event so additional staffing will be needed and possibly reducing computer session time to allow for more usage.
	There will be possible issues with people using the parking lot overnight and long-term parking creating issues for regular patrons; we may need to arrange for security enforcement. Another idea was renting parking spaces which would require re-striping the parking lot. We may want to order port-a-potties to be placed on the grounds; he plans to talk to the City about their suggestion. Three of the branches are really not our concern.
	The Huntington library is in the City park so the City will manage the parking and usage. The Sumpter and Richland libraries are tenants in their buildings so no concerns there. The Haines library only has a few

	parking spaces on the street so minimal concerns there and the Halfway library is at the outer edge of the eclipse. The main concern is the main library in Baker City. The board agreed that Stokes could come up with a plan for them to review and approve. Rohner-Ingram suggested asking the City about any special permits needed.
	Stokes also reported that the Friends of the Library purchased 1,000 eclipse viewers that are being sold for \$1.00 each. They have sold about 400 so far.
Parking Lot Policy Revision	Stokes included 3 policy documents in the packets: the current policy and 2 drafts, one showing the proposed changes and a second with the changes. He included the statement that "BCLD reserves the right to restrict lot access and/or charge for parking area use for special purposes" with the Eclipse event in mind. But it would also apply to other events like Miners Jubilee; during this even the parking lost is reserved for handicap parking only and is free.
	Rohner-Ingram asked about the bullet on short-term parking restricted to one hour. Stokes replied he intends this for people using the wireless from the parking lot which happens a lot. The changes were all reviewed with some discussion. Rohner-Ingram stated that she didn't like the word "recreational" added to the bullet addressing drugs and alcoholic beverages prohibited on library property. She declined to suggest a change to the word.
	With no further discussion, Dielman called for action on the revised Parking Lot Policy. Rohner-Ingram made a motion to approve the Parking Lot Policy with proposed revisions; Steele seconded; the motion passed unanimous.
Historic Photo Acquisition	Stokes said that he received an email about Sumpter historic photos being listed on eBay auction. Dielman said that he looked at the photos. They appeared to be legitimate photos with the exception of one of a dredge that was not one of the three in Sumpter. The photos were in a family album.
	Dielman said that he recommended offering that the man could donate the photos to the library. We have thousands of photos on the website and many more in the archives that are not scanned. We historically do not purchase photos with one exception a few years ago when the library paid \$25 for an amazing collection. There was discussion on photos acquired by the library. Dielman said there are many in the collection taken by a local photographer Jack Eng who owned the Royal Café in

	Baker.		
	The group agreed with Dielman's suggestion not to purchase the photos but rather suggest to the owner that they may be donated if they are not sold. Stokes will contact him.		
Next Meeting Date	The next Board meeting will be April 10, 2017 at 6:00pm. Agenda items include insurance outlook, a supplemental budget and policies to review.		
	Stokes reminded the board to stop at the Sandbox on the way out.		
Adjourn	The meeting was adjourned at 7:28 pm.		
	Respectfully submitted,		
	Perry Stokes, Secretary to the Board

In case of an increase, additional appointive members shall be divided into three or four, as appropriate under this section, equal or approximately equal groups as to terms.
