i. 2014-15 Revenue projection

Stokes

- VII.i.a Tax Revenue Projection Summary
- VII.i.b Tax Revenue Projection Detail

Baker County Assessor valuation reports for 2014-2015 were released last week. The rate of valuation growth for the county is greater than projected. The district's budget was based on a Total Assessed Value growth rate of 2.5%, but it is actually 4.4%. This is a significant increase over the 2013-14 rate of 2.3%. The new figures are projected to result in additional revenue of approximately \$23,500. If the collection rate is the same as 2013-14, 94% rather than the 93% budgeted, that amount could be \$10,000 more.

In addition, savings from delays in hiring Facilities and Cataloger staff are projected to amount to approximately \$13,200. A supplementary budget will be proposed at a future board meeting to accommodate the approximate \$36,700 surplus. The surplus will be considered for use to restore staffing cuts, supplement the operating reserve and collection budget, and accomplish maintenance projects (Huntington ramp, Baker parking lot repair).

VII.ii.a. 2013-14 OSL Statistics report

VII.ii.b. Statistical report summary by year

I have compiled primary data from Oregon State Library statistical reports since their beginning in 1999. Data shows a correlation between library expenditures and public usage. Total checkout has increased by 51% since 2008 to a record high of 174,362 units. Last year's total physical checkouts grew by 4.9% while digital checkouts grew by 29%. Digital usage remains relatively low, however, amounting to just 4% of the total checkouts.

Collection expenditures show large growth in print books and audiovisual materials purchasing since 2007, with a plateau in the last three years.

Adult materials checkouts have grown significantly. Young adult checkouts have begun to be collected separately and show a 40% increase in the last 2 years. When combined with

Children's materials, total youth checkouts of 32,279 show growth but are still well below the 2001 high of 38,710. Combined juvenile & YA checkouts are 19% of the total.

ILL lending and borrowing has spiked by five times the rate of 2006. Public computer use has declined since 2012 but it is unclear whether this is due to usage or faulty data collection by the system software since splitting the branches off from central server management. The number of volunteers have increased significantly but total contributed hours show large fluctuation, which may be due to data collection changes since 2007.

VIII. NEW BUSINESS

. Presentation: Libraries, present and future

I will share a slideshow I presented recently at the 2014 Word Roundup and BCLD staff training about current library use and trends and future services.

tokes

Terms for board members Gary Dielman and Nellie Forrester are up for re-election next May 2015. Do these members have an idea of whether they intend to remain on the board? If not, I recommend discussion begin on recruitment of new candidates. Also, I am planning a family vacation next year and will be seeking Board approval for the leave which may impact my board meeting availability at that time.

IX. ADMINISTRATIVE REPORTS

i. Director's Report

Stokes

a. Friends update:

The Friends are currently supporting the 2014 Oregon Reads events, providing funds and personnel for programs and giveaways. At their October meeting they will discuss organizing a "volunteer fair" at the library which would give various community organizations an opportunity to recruit volunteers.

b. Facilities update:

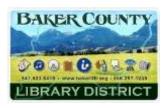

Baker: the ailing birch tree was removed from near the northeast corner of the building. Jim is working with the new Facilities Specialist to clean and organize the utility workspace. Jim intends to build a secure storage case for power tools and create a tool asset list. He suspects some tools have been stolen in recent years. Repair and sealant treatment of the wood siding around the building is a priority for the fall.

Haines: staff reported a natural gas scent at the branch, necessitating a service call from Scott's Heating & A/C.

c. Grants:

I submitted a grant request to the Leo Adler Community Fund for \$15,000 to provide an HVAC solution at the Richland branch library. The amount includes \$11,000 for equipment and installation and an estimated \$4,000 for electrical work.

I will be visiting the Oregon State Library board in Salem on Oct 17 to request approval on appeal of year 2 of the LSTA Sage Cataloging Cleanup grant. Due to miscommunication, the grant was not submitted by the required deadline and the LSTA Advisory Council felt it was ineligible for their approval.

d. Personnel:

Mr. Vincent (Vinny) Russo was ultimately hired for the Facilities Specialist position. It turned out that Mr. Booth was unable to take the position due to family matters.

The Cataloger position is currently posted. The announcement has been emailed to BCLD staff and professional library listservs in Oregon and Idaho. A Help Wanted ad will also be published in the Baker City Herald. Applications may be submitted through Nov 2 2014. A special hiring committee may needed to evaluate candidates.

e. Programs & services:

October is a busy month of programs. There are about a half dozen 2014 Oregon Reads events, several classes about Medicare, on Oct 24 I will be demonstrating library resources for student achievement, and the annual children's costume party will take place on Friday, Oct 31.

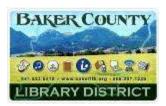

f. Technology:

A new vendor has been selected to provide Internet filtering at the branches. Use of OpenDNS will allow centralized cloud-based control of the filtering for both public workstations and the WiFi networks and ensure CIPA compliance. The annual cost will be just under \$1,000 which is less than the cost of software licenses previous used for the purpose.

XI. ADJOURNMENT Dielman

Baker County Library District Board of Directors

Regular Meeting Minutes Monday, Sep 8, 2014, 6:00 – 8:00 pm

Call To Order	Gary Dielman, President called the meeting to order at 6:02pm. The meeting was held in the Riverside Meeting Room at the Baker County Public Library, 2400 Resort Street, Baker City, Oregon. Directors present were Gary Dielman , Nellie Forrester , and Della Steele , with Kyra Rohner-Ingram arriving at 6:08pm and Betty Palmer arriving at 7:10pm. Also present were Perry Stokes , Library Director; and Christine Hawes , Business Manager. Guest present: Scott Ungerecht, local photographer.
Agenda Approved	Dielman asked for additions or changes to the agenda. Stokes stated that he has added Guest Presentation for Scott Ungerecht to present photos taken by at library events in a 13 minute slide show. Stokes also added an item under new business, a Proclamation Resolution for Library Card Signup Month.

Open Forum	Dielman asked Stokes for any correspondence since there were no
	members of the public present for the open forum period. Stokes said
	he had no correspondence to convey.
	Rohner-Ingram arrived at the meeting at 6:08pm.

Library Event	Shafer, Youth Services Specialist. He has created a presentation of
Photos	photos taken from 2011-2014 in a video he titled "Precious
	Moments." The video is set to a score of classical music.
	In addition, he is in the process of creating a 200 page hardcover photo book through a self-publishing company called "Blurb" that should be completed mid-September. When it is done, he will present a copy to the Library as a gift. The video was shown to the board. All agreed it was nicely done. Ungerecht said that his intention is for parents and children have a memento of the fun times at library

programs and the general public to gains insight and appreciation for library activities. The book will be made part of the library collection, available for the public to look through at the Library. He suggested uploading the video to YouTube with a link posted on the library website.

Dielman thanked Ungerecht for his gift and volunteer work and said "We look forward to seeing the book." Stokes also thanked him, stating it is a great help to have someone dedicated to capturing some of those fleeting "precious moments."

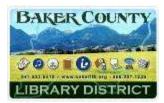

Policy Review: Fee Schedule Revision

Dielman moved on to the policy review, asking Stokes go over the changes. Stokes said it is necessary to review policies periodically to make sure they stay current. Proposed changes on the Fee Schedule were prompted by a recent issue: purchase requests for TV Series are growing but the library is unable to fulfill many requests due to space and budget constraints.

Some Sage libraries collect TV series, so our patrons do have access to many. Stokes stated that with a robust DVD collection, the library is somewhat of an alternative to Netflix and other media services but the district simply does not have the resources to compete with those distributors. ILL staff report that at least two patrons have begun submitting a large number of requests for TV series.

Under current Interlibrary Loan policy, the library will fulfill requests when possible, even if an item must be borrowed from a library outside of Sage. The service has led to increased public expectations. However, non-Sage audiovisual ILL items are very costly -- at minimum a \$3 ILL process fee plus postage \$2 (media rate for library mail). Stokes would like to mitigate the growing expectation that the library will fulfill multiple non-Sage ILL video requests at no charge. Patrons with intensive need for recreational DVDs will be asked to compensate the library for the ILL costs involved and pay \$5.00 per item when an item is brought in from outside of Sage.

The proposed policy changes are shown in red font on the document. There is a new section titled "Non-Sage Interlibrary Loan – audiovisual materials" that adds a \$5.00 per item charge for materials borrowed outside of the Sage Library System. It also requires payment in advance of staff ordering the item. Dielman asked if there were any further questions or discussion. There was none.

Regular Meeting Minutes

Monday, Sep 8, 2014, 6:00 - 8:00 pm

Rohner-Ingram made a motion to approve the revised Fee Schedule policy as presented; Forrester seconded; motion passed unanimously by four members present (Dielman, Forrester, Steele, and Rohner-Ingram).

New Business: Intellectual **Property Policy**

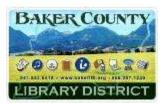

Stokes presented the new Intellectual Property Policy to the board. It clarifies the copyright status of works that are created by library staff or volunteers while working for the library. He explained that when a government employee creates something, it is generally belongs in the public domain since it is publicly funded. The "Creative Commons" license will be used to provide a simple, standardized way to grant copyright permissions and get credit for any use.

Stokes read the policy to the board. He also referenced handouts on this topic included in the board packets. According to the Creative Commons website, the CC-BY license,

"...lets others distribute, remix, tweak, and build upon your work, even commercially, as long as they credit you for the original creation. This is the most accommodating of licenses offered. Recommended for maximum dissemination and use of licensed materials."

Dielman explained that it has been the district's standard practice to use this type of license for historic photo usage; the term Creative Commons license is new. The museum, in contrast, adds a watermark to their photos; if someone wants an unmarked photo they are required to pay a fee. The library does not charge for photos but does ask people to credit the Library as the source.

Stokes added that photos are a collection, rather than works created by library staff. In qualifying cases, usage permissions are provided for the library's historic photos in exchange for attribution. The Intellectual Property Policy is more about things created by library staff or volunteers. Rohner-Ingram asked for clarification. Stokes replied that we are not talking about collections of items such as books, videos and photos; those items are not created by staff. She asked for an example of things staff create. Stokes said nearly anything staff creates in the course of their official duties is involved, such as a user guide on how to download audio books, a presentation on early literacy skills, or brochure of recommended titles on a subject.

Board of Directors Regular Meeting Minutes

Monday, Sep 8, 2014, 6:00 - 8:00 pm

Dielman asked what we would not want someone to use – perhaps our logo? Stokes agreed that the district's logo would be restricted and added that we would not want to authorize use of content that would violate someone's personal privacy, such as using a person's image in a sales or marketing campaign without their consent. Even if credit was given to the library, commercial use of a one's image should remain under an individual's control. These examples --logos, individual's images, and third-party materials-- are listed in the policy as exemptions to the general Creative Commons license. Rohner-Ingram stated her understanding that this is about staff creations.

With no further discussion, Rohner-Ingram made a motion to approve the Intellectual Property Policy as presented; Forrester seconded; passed unanimously with four members present.

Proclamation: Library Card Signup Month

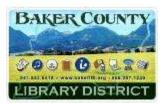

Dielman asked Stokes to explain what this means. Stokes read through the proclamation "Establishing Library Card Sign-up Month 2014" adding that it simply a method of promoting that every person in the community obtain a library card.

Rohner-Ingram made a motion to approve Resolution 2014-15.004 as presented; Steele seconded; motion passed unanimous by the four members present. Dielman signed the resolution.

Administrative Reports: Director's Report

In administrative reports, Stokes reported under **Facilities** news, that three new vacuums were purchased. Two commercial vacuums were purchased for the Baker Library and one for the Haines Branch. the Haines branch vacuum recently died and two older ones at the Baker branch were in need of replacement. Richland and Huntington branches also have older model vacuums that may need replacement soon, so one of the Baker vacuums will be a backup. Steele asked about the brand purchased. Stokes replied that all three were Electrolux Sanitaire models. Everyone agreed these were known to be reliable.

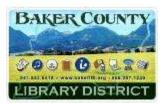

In **Personnel** news, Stokes has hired a new Facilities Maintenance person from Richland. Ken Booth retired from working for a Boise fire agency as a small engine repair specialist. Stokes said that he aims to post the Catalog Specialist position next week. Two new subs have been hired in Huntington; Sara and Diana conducted the interviews. And finally, a story time sub for Melissa has been secured. Sara is working to coordinate a free vision screening event for preschoolers

Persons needing to make long-distance calls will be directed to the pay phone in the north parking lot. Jim is also working on a proposal to provide a few tablet and laptop computers for patron use in the library. The items would be tethered to tables. The Edge Initiative Evaluation identified this as one area we can improve customer services. Hawes passed out check packets and financial reports. The General Fund received tax turnovers of \$4,872.08. A total of \$1,382.75 was received from the E-Rate program completing fiscal year ended June
	30, 2014. Checks include The Friends \$79.89 remitting book sales (book store purchases through PayPal) for the first quarter, Special Districts \$1,602.16 for the initial Fiscal Year 2014-2015 worker's comp insurance, and Ingram \$5,634.31. The current cash balance for General Fund is \$14,052.39. We will borrow from Other Funds for the first time for the October 1 payroll.
	The Other Funds received a \$100 payment from Philip Charette, and had Adler biography sales of \$252. Amazon book sales totaled \$302.46 for July and \$487.77 for August. In other news, the Friends were billed \$3,000 in July for one-half of the Early Learning Workstations they agreed to help fund. Hawes will have Carmen remind them at their next monthly meeting. The ending Other Fund cash balance totals \$142,953.73. The breakdown by Fund/Department was included on the reports.
	The Sage Fund budget lines are skewed. Hawes will review the detail with Beth Longwell to clarify where items should be posted and make the corrections for the next financial reports. Sage Fund paid Special Districts \$2,517.58 for 2 months group health insurance premiums. She called them regarding a billing error. This payment will catch up that expense.
	Checks were signed and approved by those present.
Next Meeting Date	The next regular meeting will be October 13, 2014 at 6:00pm.
Adjourn	The meeting was adjourned at 7:16pm.

Part 2 - LIBRARY STAFF AS OF JUNE 30, 2014

Call 503-378-5027 early and often for help! See the FAQ at

2012-2013

Report figures as of June 30. Include all positions funded in the library's budget whether those positions are filled or not. To ensure comparable data, 40 hours per week has been set as the measure of full-time employment (FTE).

Examples: 60 hours per week of part-time work by employees in a staff category divided by the 40-hour measure equals 1.50 FTE (60/40=1.50 FTE). If a schedule varies wildly by season, use total annual hours worked divided by 2080 to calculate FTE. Use n.c. for not collected, 0 for zero or not applicable.

IMPORTANT NOTE: Report only staff paid from the library budget in Part 3. Do not report volunteers, other non-paid staff, staff paid by other agencies (e.g., Green Thumb) or temporary personnel. Do report plant operations, security, or maintenance staff if paid from the library budget.

Part 3 - LIBRARY REVENUE FOR 2013-2014

Part 3 is divided into two sections. Report all operating revenue in Section A, excluding capital revenue. Report capital revenue in Section B. Call 503-378-5027 early and often for help! See the FAQ at http://libdev.plinkit.org/faqs-for-state-statistical-reports

SECTION A. OPERATING REVENUE

Report revenue used for operating expenditures. Include federal, state, local, or other grants. DO NOT include revenue for major capital expenditures, contributions to endowments, revenue passed through to another library, or funds unspent in a previous fiscal year (e.g. carryover).

This is a statistical count of revenue. This figure may not be the same as the annual budget, and does not need to balance with expenditures. If the city or county contributes sizeable expenses on behalf of the library, but does not show those in the library budget, the library may wish to enter matching revenue and expense for such items.

Please round to the nearest dollar. The program will fill in dollar signs and commas; there is no need to type them. Use n.c. for not collected, 0 for zero or not applicable.

Exclude contributions to endowments, or revenue passed through to another agency (e.g., fines), or funds unspent in the previous fiscal year (e.g., carryover). Funds transferred from one public library to another public library should be reported by the receiving library. Call 503-378-5027 early and often for help! See the FAQ at http://libdev.plinkit.org/faqs-for-state-statistical-reports

Part 4 is divided into two sections. Report all standard operating expenses in Section A, excluding capital outlay. Report capital outlay in Section B.

Operating expenditures are the current and recurrent costs necessary to support the provision of library services.

2013-2014 2012-2013 **ATTACHMENT VII.ii.a**

Significant costs, especially benefits and salaries, that are paid by other taxing agencies (government agencies with the authority to levy taxes) "on behalf of" the library may be included if the information is available to the reporting agency. The library should add an equivalent amount of revenue if such costs are reported. Only such funds that are supported by expenditures documents (such as invoices, contracts, payroll records, etc.) at the point of disbursement should be included. Do not report the value of donated items as expenditures. Do not report capital expenditures under this category.

SECTION A. OPERATING EXPENDITURES

Library collection

This includes all operating expenditures by the library for materials purchased or leased for use by the public. It includes print materials, electronic materials, and other materials etc. If record keeping does not separate total expenditures by type of material, it is acceptable to use some reasonable methodology to estimate the relative amounts. An estimate is preferable to n.c. (not collected).

Part 5 - LIBRARY COLLECTIONS

Call 503-378-5027 early and often for help! See the FAQ at http://libdev.plinkit.org/faqs-for-state-statistical-reports

Report library holdings as of the end of the fiscal year, June 30.

This section of the survey collects data on selected types of materials. It does not cover all materials (i.e. microform, scores, pictures, etc.) for which expenditures are reported under Part 4. Under this category report only items the library has acquired as part of the collection and cataloged, whether purchased, leased, licensed, or donated as gifts.

SECTION A - PHYSICAL COLLECTION

Report in Section A items that have physical form. A physical unit is usually a volume, but might also be a disc, cassette, etc. Items which are packaged together as a unit, e.g. two compact discs, and are generally checked out as a unit, should be counted as one physical unit. Do not subtract withdrawn materials from the physical units added figure. The figure reported should represent the total number of materials on June 30. The State Library does not ask you to report the number of materials withdrawn as a separate data element.

Please calculate hourly wages even if staff is paid monthly, weekly or on a salary. Please report up to two decimal places. If the library has a salary range, there is a blank for the number at low end of the range, and one for the number at the high end. If your library does not have such a position, leave the item blank. For organizations without salary ranges, leave the "Low" and "High" items blank and list a figure in the "Fixed Amount" blank. For full-time positions, divide an annual salary by 2080 to calculate the hourly equivalent. Please see the instructions. Do not include the \$ symbol or commas.

Library Progress Report for past fiscal year - Optional

Please describe any major improvements to facilities, important additions to library staff or collections, significant increases in library support, new services provided, new library technology that might have been acquired, and any new initiatives to cooperate with other libraries below.

11.1 Please report on significant developments in your library this past fiscal year.

Reduced 4 service hours per week by closing one hour earlier Mon-Thu, at 7pm instead of 8pm. Those staff resources were re-allocated to other needs. Childrens' staff added an additional weekly story time and began outreach visits to YMCA preschool. Acquired new books shelving for prominent central location in the main library. Two long-time staff retired (one position not filled due to fiscal constraints). Secured enhanced Internet bandwidth subscriptions for Huntington and Richland branches. Bookmobile implemented winter service schedule with 6 week closure during inclement weather weeks.
