Patron Agreement

By signing below, I understand that:

- Print project rules will follow the Library's **3D Printing Policy**.
- No weapons, weapon parts, unsafe, illegal, lewd, obscene, or copyrighted items will be printed.
- Big or complex projects that take up too much resources in time or materials will not be printed.
- My project will be put in the line of orders and may take several days.
- Only Library staff will operate the 3D printer.
- My project is not guaranteed to turn out the way I expect. Reprint requests may not be approved.
- I will pick up my project within **7 days**, or it will belong to the Library.
